

Charger Fever

2012

HELLO!!!!!!!!!!!!!!

The All Dodge Charger Weekend is fast approaching (September 1 & 2) less than 70 days away. The host motel is filling up so if you have not called in your Registration please do so ASAP, the cut off is August 1, 2012. We have a fully packed weekend in store for you this year, starting with the Friday night gathering at the host motel, the Charger Meet Saturday & Sunday - swap meet & car corral area at the Kansas Oil Museum, Sunday afternoon cruise. We will send out more details later, we are still finalizing some of the actives.

We had 52 Chargers at the El Dorado Charger meet last year and we are hoping to exceed this number this year, I know it is possible if everyone could show up for the Charger meet, "if not the whole weekend, maybe just for an hour or so".

Many thanks to everyone that helped at last year's meet. We appreciate it very very very much.

John is in the process of up-dating the Charger Fever web site, so keep watching for the up-date. I have tried to make a Facebook page (Charger Fever), I am still working on it, I could use some help, if anyone would be interested in assisting me please let me know.

Thanks,

Rocky Slagle
