

# Charger Fever

August 2011

HELLO!!!!!!!!!!!!!!

The All Dodge Charger Weekend **WILL** be held in **El Dorado Kansas at Kansas Oil Museum**

The All Dodge Charger Weekend is fast approaching (September 3 & 4, 2011). The host motel is filling up so if you have not called in your Registration please do so ASAP. It is the **Best Western Red Coach Inn** (316) 321-6900 - Be sure and ask for the block of rooms reserved for the Charger Fever Meet.

The Charger Meet will start at 9:00 A.M. on Saturday, (swap meet & car corral) at the Kansas Oil Museum. The museum will be open for us to go through and view the exhibits. We will be there until 5:00 p.m. Saturday evening we will be having a 45<sup>th</sup> Birthday celebration for the 1<sup>st</sup> generation of Chargers (location to be announced). We are also checking on the Star-Vu Drive-in Movie Theater schedule for a possible outing.

Sunday we will be meeting at the museum from 9:30 am until 11:30 am. We will be taking a cruise after a lunch break for those who wish to go on a drive. Sunday night we will plan on meeting for supper at a restaurant.

We will be having an early morning breakfast gathering on Monday, Labor Day, for those who want to get an early start back home - the location will be announced Sunday.

If you cannot attend the entire weekend, I hope you can make it for, as much time as your schedule will allow, we really would like to see you.

We could use some people to help at the meet from 8:00 am to 2:30 pm on Saturday. If everyone could commit for 30 minutes during this period, we will all be able to enjoy the meet. We need help at the gate, directing/parking Chargers, and help at the registration table. Please let Rocky know as soon as possible if you can assist with the meet. Call Rocky at 316-250-8196 or e-mail at [rtcharger@chargerfever.com](mailto:rtcharger@chargerfever.com). Remember many hands make little work!

**!!!! PLEASE NOTE !!!!**

We need your updated e-mail address if you have not received any e-mails from [reslagle@peoplepc.com](mailto:reslagle@peoplepc.com) this year.

**Special Thanks!!!!**

We would like to thank the Kansas Oil Museum for letting us have the meet at their place.

**NOTE: Also be sure to check out [www.chargerfever.com](http://www.chargerfever.com) web site for the latest and up to date information on all the charger activities, and there are links to several other charger sites.**
